Preamble and resolutions adopted by Advance Lodge, No. 110, I. O. O. F., Yale, at a regular meeting of the Lodge, held on Friday evening, Feb. 27, 1914:

WHEREAS, Our brother, Andrew Alward, while in the prime of life and vigor of manhood has been cut down by the inexorable hand of death, therefore be it

RESOLVED, That we convey to the widow and friends of our deceased brother, this expression of our heartfelt sympathy in this hour of deep affliction, ever bearing them in remembrance in harmony with the vows of Oddfellows. Be it also

For Supervisor.

Through the earnest solicitation of my many friends I have consented to be a candidate for the nomination of supervisor at the Republican caucus to be held Wednesday, March 25th, at 1:30 o'clock, in the Brockway township hall. If you feel that I am deserving of your support I will thank you for whatever you can do in my behalf.

Respectfully yours,
William A. Cavanaugh.

Alumni Entertainment

The entertainment given by the Alumni association last Friday evening in Central hall was a decided success. The hall was well filled with lovers of home talent and a nice sum is now on the credit side of the association books. The program consisted of miscellaneous numbers, all well rendered and enthusiastically received. Music, vocal and instrumental, recitations, readings and folk dances by the little ones, made up a variety pleasing to everyone.

One of the most interesting features of the whole was the debate between Seniors and Juniors on the question, "Resolved, That Woman has done more for Humanity than Man." This important question was well handled by both sides, both in argument and delivery and the issue was eagerly looked for. The decision brought by the judges was two for the affirmative and one for the negative.

The program was well closed with a fine number by Heine's Little German band which brought hearty applause. The members of the Alumni Association wish to thank those who so kindly took part in the entertainment also those who so willingly assisted in making it a success.

Farmers Attention.

John Hutton and Jas. Cogleys Sons wish to announce that they have arranged with the American Steel & Wire Company for a moving picture entertainment of great interest to the farmers. This is entitled "Through the Furnace to the Farm," and deals with the manufacture of steel, especially the nails, barbed wire and woven wire fence used on the farm.

There are 5000 feet of film in five reels, and these are just a few of the scenes shown:

Mining with giant steam shovels
Mammoth clam-shell buckets
Huge ore carrying boats
Blast furnace in action
Drawing off the molten pig iron
Bessemer and open hearth processes
A train load of white hot ingots
Rolling out the plastic metal
Cold wire drawing
Galvanizing
Weaving wire fence

The proper way to build fence on the farm

These have been pronounced the greatest industrial pictures of the age and it is worth while for any farmer to see them. Admission is by ticket only. Any farmer may obtain free tickets for himself and family by calling on Jas. Cogleys Sons or John Hutton. Don't forget the time and place—Friday, March 20th at 1:30 p.m. at The Princess Theatre.

For City Treasurer.

Yale city caucus is called for March 18 and at that time candidates for the several city offices will be nominated. The Expressor has a candidate for the office of city treasurer to present to the voters in the person of John Hutton our worthy townsman. He is one of our best citizens and business men in whom the utmost confidence may be placed. During all of the years he has been among us he has freely given his time, money and energies to every commendable enterprise and good work for the upbuilding and advancement of Yale. In presenting his name at this time we are sure that he will likewise be popular with a large majority of the electors and we know of no reason why he should not secure the nomination and election without opposition. John is away on a visit and may not be home in time for the caucus but we have the assurance that if nominated he will accept.
